

Women, Huh?

Saturday, February 19th 2005

Well I don't and never will understand women, and they'll prolly never understand me (that's prolly a good thing). But [Jenn](#) tried to explain women to me, I still don't really understand, and she was kind enough to [post it all](#) to her blog. So maybe she can help all us guys try to understand what women really want. I know my Girlfr.... oh, the games on, gotta go ...
